gofundUC

A short-term special projects fund campaign

Help us tackle some important projects around the church. Your church!

There are some things that don't fit in the budget, but need to be done to improve safety, maintain equipment and facilities, and enhance our ability to minister together to people of all ages. (How we keep up our facility communicates to everyone who sets foot on our campus.)

Important projects are waiting to be done. Projects like upgrading lights in the parking lots...replacing outdated equipment in the Epicenter... renovating neglected restrooms... fixing the electronic sign before it stops working completely... and more.

And these projects need to be funded above and beyond regular giving.

Pick up a booklet in the lobby to see what's on the list. Then use the card in your seat back to let us know what part you want to play in this special projects fund campaign. Thank you!

To give now, go to UCUMC.net/GoFundUC, click on GIVE on the app, or write GOFundUC on your check.

GoFundUC amount received to date: \$16,605
