A community sent to help anyone and everyone become a follower of Jesus.

Confirmation is a journey for all Students (7th-12th Grade) that want to take eight weeks learning the foundations of what makes us followers of Jesus. The 32 students, multiple staff and volunteers focus on reading scripture, praying, asking questions, laughing, and making great memories as they unpack what it means to be a Christian in today's world.

Developing Stories

Volunteer Appreciation Once a year we take time to gather everyone who gives of their time and abilities to make the ministries of the church run, and we say thanks. This year our theme was JOY (because, if you lose your "y" it's just a JOB!). In addition to learning why we don't have the pastors do everything (because they'd mess it up royally!), we had some great food and a great time thanking all of you!

Spirit Night The University Carillon Early Learning Center cares for the educational, social and spiritual lives of 108 children from our community. They do this all on a very tight budget, so occasionally they invite us to support their work. On February 28, families and individuals had a great time eating at Chick-fil-A in Oviedo, with some of the proceeds going to the University Carillon Early Learning Center.
